Add your own words to the music

Babies

Move the Ocean Drum round and around and then tap or shake as the music changes.

Use shakers or maracas to shake and sing in time with the music changing from slow to fast.

Play a drum with your hands or a stick to the rhythm of the music.

Encourage your baby to reach up to the Wind Chimes and wiggle their fingers to play.

Toddlers

Move the Ocean Drum round and around and then tap or shake as the music changes.

Use shakers or maracas to shake and sing in time with the music changing from slow to fast.

Play a drum with your hands or a stick to the rhythm of the music.

Play and sing as you take turns, listening to each other playing.

Shake a set of bells in time to the music. Start and stop in time with the music.
